

# Core Strategy Review

Consultation Draft  
Regulation 18 Version

## Now is the time to tell us your views to shape the future of Folkestone & Hythe District

The Core Strategy 2013 is the main planning policy document for the district. It looks at how we can meet the district's needs for housing, employment, education, transport, social & community facilities up to 2031. We are currently reviewing the Core Strategy to make sure it continues to meet local needs beyond 2031.
