

KENT COUNTY COUNCIL

VARIOUS ROADS, SHEPWAY
– SURFACE TREATMENT
(PROHIBITION OF DRIVING)
TEMPORARY ORDER 2017

To allow a programme of carriageway surface treatment works to be carried out, together with associated preparation and finishing, Kent County Council has made an Order to temporarily prohibit through traffic on various roads throughout East Kent.

The roads that are affected in the Shepway area are shown below.

The programme is planned to commence in April 2017. The actual dates of closures are yet to be confirmed at the time of going to press.

Once known, the planned dates of closures will be notified in advance of the works and indicated by signage displayed on site 14 days before works are due to start.

Certain roads may require duplicate closures for patching works (if needed), for the actual surface treatment works, and for the subsequent reinstatement of road markings and adjustment of iron works (road drain covers, manhole covers, etc) needed to suit the new surface.

Closures will generally be between the times 07:00 hours and 19:00 hours each day, but this may vary to suit local needs.

A temporary speed limit of 20 mph will be in place on certain roads for a period of about 7 days following the treatment. Where this does apply, the 20 mph Speed Limit will be clearly indicated by relevant signs clearly displayed on site.

For those roads which are *cul-de-sacs* with no available diversion, every effort will be made to maintain access for residents, businesses and visitors, whenever it is safe to do so.

This programme is subject to weather and other factors which may cause changes at short notice. Every effort will be made to keep as close as

possible to the programmed dates that are notified, and any changes will be advised locally and signposted on site.

The extent of closures and alternative routes are as follows, listed in alphabetical order of town or village.

ARPINGE LANE, ARPINGE

Closure between Crete Road West and Upper Arpinge

Alternative route via Crete Road West, A260 Canterbury Road, Spitfire Way, Aerodrome Road, Paddlesworth Lane and Teddars Leas Road to Upper Arpinge
